Individual/Group requesting quilt square: _____

Address: _____

Phone: _____ Email: _____

Site Location: _____

Size of block desired: 2'x2' (\$175)

4'x4' (\$200)

8'x8' (\$350)

***Note these costs cover all materials, administrative and promotional expenses involved with each block.
Installation is the responsibility of the quilt square owner.**

In making this request, the undersigned agrees to accept the following conditions and requirements:

I will work with the Avery County Arts Council (AAC) regarding design and colors of the proposed quilt squares. The AAC must approve the block design, colors, and its final appearance before it is hung on the building. The block design can not be a company logo. I will pick up the square from the AAC within 30 days of completion.

The Quilt Square will remain on the building at least two years. After that time, if you remove the square, please notify AAC, so we can take you off the trail map.

The barn/building site must be visible from the road or on a site that is frequently visited. The Avery County Arts Council will have the final say as to the appropriateness of the site.

Any leftover materials for constructing and painting the quilt block will be returned to AAC.

I will allow my property to be approached, the building to be photographed by the public, and the photos to be used by AAC in advertising the Quilt Trail. I will also allow my name and/or my business's name and address to be used on advertising materials.

I agree to indemnify and hold harmless the Avery County Arts Council as well as its officers, committees, agents and employees for and against all claims, liabilities, losses and causes of action related to the quilt block.
